ING Historical Trend Data 4Q2020 Introduction

General comments

- The Historical Trend Data document includes quarterly financial trend data and details of restatements. The Historical Trend Data document is published on a quarterly basis.
- In this document consolidated results of ING Group are based on IFRS as adopted by the European Union (IFRS-EU).
- Allocation keys are used to calculate segmental information; e.g. Retail vs. Wholesale Banking and product information. These allocation keys might be refined over time.
- Small differences are possible due to rounding.
- All figures are unaudited.

| Product segmentation Wholesale Banking | |

Important legal information

ING Group's annual accounts are prepared in accordance with International Financial Reporting Standards as adopted by the European Union ('IFRS-EU'). In preparing the financial information in this document, except as described otherwise, the same accounting principles are applied as in the 2019 ING Group consolidated annual accounts. The Financial statements for 2020 are in progress and may be subject to adjustments from subsequent events. All figures in this document are unaudited. Small differences are possible in the tables due to rounding.

Certain of the statements contained herein are not historical facts, including, without limitation, certain statements made of future expectations and other forward-looking statements that are based on management's current views and assumptions and involve known and unknown risks and uncertainties that could cause actual results, performance or events to differ materially from those expressed or implied in such statements.

Actual results, performance or events may differ materially from those in such statements due to a number of factors, including, without limitation: (1) changes in general economic conditions, in particular economic conditions in ING's core markets, including changes affecting currency exchange rates, (2) the effects of the Covid-19 pandemic and related response measures, including lockdowns and travel restrictions, on economic conditions in countries in which ING operates, on ING's business and operations and on ING's employees, customers and counterparties, (3) changes affecting interest rate levels, (4) any default of a major market participant and related market disruption, (5) changes in performance of financial markets, including in Europe and developing markets, (6) changes in the fiscal position and the future economic performance of the United States, including potential consequences of a downgrade of the sovereign credit rating of the US government, (7) consequences of the United Kingdom's withdrawal from the European Union, (8) changes in or discontinuation of 'benchmark' indices, (9) inflation and deflation in our principal markets, (10) changes in conditions in the credit and capital markets generally, including changes in borrower and counterparty creditworthiness, (11) failures of banks falling under the scope of state compensation schemes, (12) non-compliance with or changes in laws and regulations, including those financial services and tax laws, and the interpretation and application thereof, (13) geopolitical risks, political instabilities and policies and actions of governmental and regulatory authorities, (14) ING's ability to meet minimum capital and other prudential regulatory requirements, (15) outcome of current and future litigation, enforcement proceedings, investigations or other regulatory actions, including claims by customers, (16) operational risks, such as system disruptions or failures, breaches of security, cuber-attacks, human error, changes in operational practices or inadequate controls including in respect of third parties with which we do business, (17) risks and challenges related to cybercrime including the effects of cyber-attacks and changes in legislation and regulation related to cybersecurity and data privacy, (18) changes in general competitive factors, (19) the inability to protect our intellectual property and infringement claims by third parties, (20) changes in credit ratings, (21) business, operational, regulatory, reputation and other risks and challenges in connection with climate change, (22) inability to attract and retain key personnel, (23) future liabilities under defined benefit retirement plans, (24) failure to manage business risks, including in connection with use of models, use of derivatives, or maintaining appropriate policies and quidelines, (25) changes in capital and credit markets, including interbank funding, as well as customer deposits, which provide the liquidity and capital required to fund our operations, (26) the other risks and uncertainties detailed in the most recent annual report of ING Groep N.V. (including the Risk Factors contained therein) and ING's more recent disclosures, including press releases, which are available on www.ING.com.

This document may contain inactive textual addresses to internet websites operated by us and third parties. Reference to such websites is made for information purposes only, and information found at such websites is not incorporated by reference into this document. ING does not make any representation or warranty with respect to the accuracy or completeness of, or take any responsibility for, any information found at any websites operated by third parties. ING specifically disclaims any liability with respect to any information found at websites operated by third parties. ING cannot guarantee that websites operated by third parties remain available following the publication of this document, or that any information found at such websites will not change following the filing of this document. Many of those factors are beyond ING's control.

Any forward-looking statements made by or on behalf of ING speak only as of the date they are made, and ING assumes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or for any other reason.

This document does not constitute an offer to sell, or a solicitation of an offer to purchase, any securities in the United States or any other jurisdiction.
